'Your donations and kindness means that many of our clients have been kept content and well fed during hard times. This is like a light in the darkness - this kind of help is priceless.

Thank you, from everyone here at St. Johns, Burgess Hill,
for caring and sharing'.

Cavan - Health & Wellbeing Coordinator

'Thank you for accepting my chair donation. It means a lot to me that it is going to help one of your clients who is soon to move into a place of their own. I will also be making a financial donation to support your wonderful charity'.

Christina

'We were very touched and humbled that your client shared his story with us and that he will now be sleeping on the bed tonight. We hope the bed is really comfortable for him and that he is settling into this new chapter of his life. We have been blessed by this whole experience - thank you to you and your team.
